

Celebrate all that is wild!

New Book

“A true celebration of the world of bears and the amazing environments they inhabit. With its stunning visuals and inspiring prose, the *Joy of Bears* will be treasured by anyone interested in wildlife and the natural world. A positive, very moving tribute to these astonishing animals.”

~ Rob Laidlaw, Executive Director, Zoocheck, Award winning children’s author

“*Joy of Bears* is a strong testament to the natural beauty of bears and our precious animal kingdom.”

~ Anthony Douglas Williams, author of *Inside the Divine Pattern*

“Bears are amazing beings. Sylvia Dolson’s new book shows us just how much we can learn from other animals when we allow them to tell us who they are. Read it and share widely. Not only will you come to appreciate bears more than ever but you’ll also come to cherish the fascinating world of animals and the beautiful landscapes in which they live.”

~ Marc Bekoff - evolutionary biologist, professor emeritus at University of Colorado, and author of numerous books

THE AUTHOR

Sylvia Dolson is a naturalist, wildlife photographer and freelance writer whose passion for bears is equaled only by her quest to teach people about the true nature of these wonderful bruins. Her ultimate goal is for a greater coexistence – one in which people and bears live in harmony. Sylvia and her husband, Steve, live in Whistler, British Columbia, where they share their lives with their canine companion, Kia. Other books include *Bear-ology: Fascinating Facts, Tales & Trivia* and *A Whistler Bear Story*.
