

Exotic & Unseen Costa Rica

Discover the mysterious and fascinating ways in which animals and plants—and people—interact with one another in the rainforests of Costa Rica. More than just a simple collection of essays, this book is a testament to the wonder of life in all its countless guises, as seen through the eyes of a man with a gift for subtle discernment and a natural flair for storytelling. Ideal for travelers to Costa Rica, as well as teachers and students of rainforest ecology, the environment and global eco-tourism.
